REVERSE MINI-TRADESHOW

OVERVIEW

ConferenceDirect will provide an added value for its sponsoring partners in the form of a reverse mini-tradeshow at its upcoming IndustryInsights programs. This reverse tradeshow format will allow ConferenceDirect's supplier partners to visit one-on-one with various ConferenceDirect associates from both the local and regional associate field. The ConferenceDirect associates will be the exhibiting representatives at each table-top location so that our partners will have an easy and convenient forum to network with our associates and build new relationships.

DETAILS

The tradeshow will take place followed by the industry panel session covering many of the "hot" and "must know" topics within our industry. Directly after we will have a lunch/reception where many ConferenceDirect customers and prospective customers can mingle and network.
